

Our Valuable Contributors: Reviewers of 2021

I would like to recognize the peer reviewers who donated their precious time and effort to reviewing the manuscripts submitted to the *Journal of Preventive Medicine and Public Health* in 2021. With an ever increasing competition to attract quality research by major journals in our field, we depend on the expertise of the reviewers to critically appraise the papers. Their comments, detailed and extensive, guide authors to polish their work and propel them to strive for excellence. Their commitment and dedication to this hard and time consuming task ensure that published research are relevant, timely, high quality, and applicable.

I would like to extend my sincere gratitude to each and every one of the 134 reviewers.
